

Caratteristiche costruttive

- La struttura è in tubolare di acciaio di varie sezioni.
- L'imbottitura è in poliuretano autoestinguento, schiumato a freddo e senza utilizzo di CFC; densità media 50 kg/m³.
- La base a quattro gambe è in tubolare conificato di acciaio cromato, con piedini regolabili.
- La base a disco è in acciaio di diametro 50 cm, rivestito Inox. L'altezza è predefinita e può essere girevole o girevole con ritorno automatico in posizione.
- Le basi a 4 e 5 razze sono in alluminio lucidato.
- Le ruote piroettanti autofrenanti a doppia carreggiata sono in nylon caricato per suolo morbido o con battistrada in poliuretano per suolo duro. I piedini sono in nylon caricato.
- Il tavolino è in conglomerato ligneo spessore 20 mm, rivestito con melaminico bianco. Le gambe sono in tubolare ovale di acciaio cromato di 10x20 mm.

Manufacturing features

- The structure is in tubular steel of different dimensions.
- The padding is in self-extinguishing polyurethane, cold foamed without CFC; average density 50 kg/m³.
- The fixed base on four legs is in tubular chrome-plated steel with adjustable feet.
- The disc-base is in stainless steel with diameter 50 cm. The height is fixed and it can be swivel or swivel with memory return action.
- The 4-star and 5-star bases are in polished aluminium.
- The dual-wheel self braking castors are in reinforced nylon for soft floor or with polyurethane tread for hard floor. The fixed glides are in reinforced nylon.
- The table is made of wood conglomerate 20 mm thick coated with white melamine. The legs are made of oval tubular steel, dimensions 10x20 mm, with chrome-plated finishing.

Ruote e piedini - Castors and glides

A
Ruote autofrenanti per suolo morbido
Self braking castors for soft floor

X
Ruote autofrenanti gommate per suolo duro
Self braking castors for hard floor

P
Piedini fissi (per base 5 razze)
Fixed glides (for 5-star base)

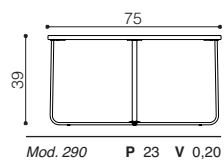

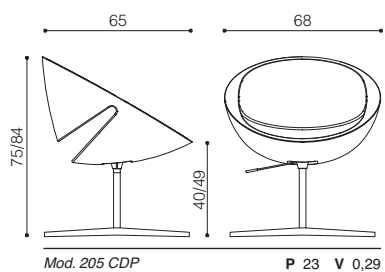

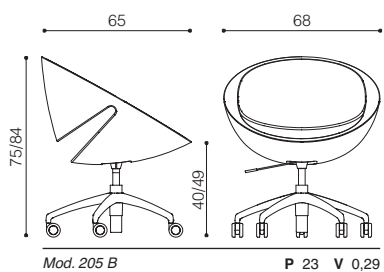

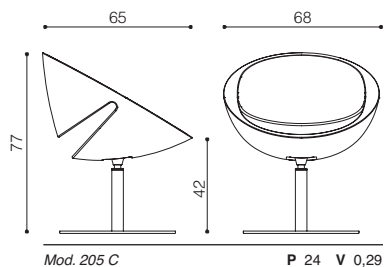

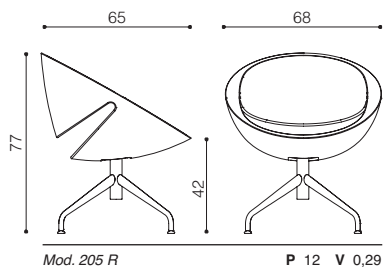

• Su richiesta i modelli possono essere confezionati con rivestimenti inviati dal Cliente in porto franco e senza alcun onere per l'azienda. L'azienda si riserva di confermare la fattibilità del lavoro solo dopo aver preso visione del rivestimento che dovrà essere utilizzato. Per il prezzo fare riferimento alla prima categoria disponibile.

• Upon request all models can be upholstered with coverings provided by the Customer and sent to Ares Line's premises without any charge to the company. The company reserves the right to confirm the feasibility of the work only after having viewed the covering material that is to be used. For pricing refer to the first category available.
